A satellite in space with a beam of light shining down on Earth. The background is a starry night sky with a bright nebula or galaxy. The satellite is a complex structure with various instruments and antennas. A large, white, parabolic dish antenna is visible on the right side of the satellite. A bright beam of light emanates from the satellite, shining down towards the Earth's surface, which is visible at the bottom left of the frame.

GoANG.com ▶ 1-800-TO-GO-ANG

A photograph of two Air Guard members in a control room. A woman in the foreground is looking upwards and to the right, wearing a green flight jacket with patches. A man in the background is looking at a computer monitor displaying a map and a soldier. The room is dimly lit with blue ambient lighting.
